

Charles Alexander: I graduated from Whitmer High School in 1958. I was born in 1940 in Naples, Texas

After graduation I went to work for Powertrain Co. and worked there for over 40 years as an electrician until I retired in March of 2000.

I have been married to Diana O'Whaley, class of 1962 for almost 32 years. This is Diana and mine second marriage. We had dated when in our teens, but had not seen each other in years. We grew up in the same neighborhood. We met again years later at my mom's when I was playing Frisbee and she rode by on her way to her moms. The rest is history.

She jokes that she took my three kids and I took her three cats. We currently have six grand daughters and are expecting a great grand son in February.

Diana retired from Spartan Chemical Company three years ago. When she retired she was the I. T. director.

We spend our winters in Okeechobee, FL on the biggest lake in Florida. Lake Okeechobee is the circle in the middle of the Florida license plates. We have a place on the north side of the lake. We do a lot of bass fishing and some golf in Florida then mostly golf when in Ohio.
