

Ann Cassill Greiffendorf: Graduated from Whitmer High School in 1958. Born in September, 1940.

After Graduation I went to Davis Business College and worked at Houghton Elevator.

In 1977, I started working for Mass Mutual Life Insurance Company in Toledo, Ohio. I met my second husband Dennis while working at Mass Mutual and we were later married in 1979.

In 1980, Dennis was offered a great job with Penn Mutual Life Insurance Company in Philadelphia, Pa. We lived there for 8 years before moving to Bucks County, Pa. I was blessed to be able to stay home with our son Steve and do what I love, bake, read and work in our garden.

I then decided to go back to work and secured a job as manager of the circulation department for a local library. I was there for over 7 years.

We then moved to Worthington Ohio as Dennis found a job with Abbotts Laboratories. Sadly, after being in Ohio for only 7 months, Dennis passed away.

I worked at Connells Maple Lee Flower & Gifts as a sales associate, Sales Manager, and the Assistant Store Manager until I retired in 2006. Now, I can enjoy once again, baking, reading, knitting and working in my garden.

My son Steve met his wife Kelly while attending the Ohio State University. Steve works for the Department of Social Security and she works for Anthem Blue Cross Blue Shield. They have blessed me with a grandson, Zackary (8 years old) and a granddaughter, Haven (6 years old). They live in Westerville, Ohio which is within minutes from Gahanna, Ohio (for those of you that don't know they are both near Columbus), so I get lots of chances to enjoy them quite often.

My Favorite Memory of Whitmer High: I have a lot of great memories at Whitmer High School. All the friends that I made and the special times that we shared. But I guess the one memory that keeps coming back is no matter how hard we tried, we never won the float competition at Home Coming.
