

**Ruth (Dobson) Kohn:** Graduated from Whitmer High School in 1958. I was born in October 1939.

I have been married to Alton Kohn for 45 years. Al retired from his supervisory job at E. I DuPont Co. in March of 1993. He is a 1953 graduate of Waite High School.

We have 4 children (3 boys and 1 girl); 10 grandchildren and 3 great-grandchildren.

After a couple of secretarial jobs, I did day-care in my home for 35 years. I retired from day-care and decided I would like to drive a school bus. After training in Washington Twp and receiving my CDL, I drove for the Washington School District for a short while and then drove a bus for Lucas County Board of Mental Retardation for 9 years; then retired again. Presently I am working as a courier for Dresch-Tolsen dental lab 2 days a week.

Al and I like to travel and have been fortunate to travel with two of our grand-daughters on their senior trips to Spain, Austria, Germany, and Switzerland. We also have enjoyed cruises to Hawaii, Alaska, Italy-Greece-Turkey, and three cruise trips to the Caribbean. We took a three week, 6,000 mile car tour of the national parks out west in 2006. We also enjoy time at Myrtle Beach in the fall and time in Lakeland, FL area in the winter. We have been on many trips around the country attending the Barbershop Harmony Society conventions and have been enjoying sailing our 25' sailboat for many years.

My hobby is quilting/sewing and I am active in the "Maumee Bay Country Quilters" guild. Currently, I am president of the guild. I was also chair person of the Greater Toledo Amateur Hockey Association (GTAHA) in 1981.

Al and I are both active in our church. I am currently the Sunday School Superintendent (again) and in charge of church dinners. Al is on the board, was church treasurer 23 years, and a Social Studies teacher for adults since the early 1980's.

Except for normal old-age problems, LIFE IS GOOD!!!

**My Favorite Memory of Whitmer High:** I don't have one favorite memory but I do remember my math grade teacher from the 8th grade as being very good.
