

Janet Dowling – Class of 1958. Born in Toledo, Ohio in 1940. Current status is married and living in Mt. Washington, Kentucky. Mt. Washington is in Bullitt County just a short distance from Louisville.

I met my husband Larry Pilzecker (Whitmer High School Class of 1957) in High School (I've always told him they saved the best for last = class of '58) and we were married in 1959. We have been together for 49 years.

We have three wonderful daughters, three grandsons, 4 granddaughters and our pride and joy Kellan, our 1st great-grandson. How blessed I feel.

I am currently retired from the medical field. I worked at Otterbein Portage Valley, Hospital & Nursing Home in Pemberville, Ohio for many years where I managed the medical records department in the 100 bed nursing home facility.

Larry and I have done some traveling to places in Europe, the Caribbean, and the Bahamas. We are hoping to make Hawaii for our 50th wedding anniversary next year.

Some of our many activities include following the grandchildren's school sports such as football, softball, basketball, wrestling, and gymnastics.

Our leisure time is spent feeding the fish, not catching them. And, no I do not have a moon shine still in the back yard. Might have a nip of it now and then. Hee! Hee!

Favorite Memory of Whitmer High: My favorite memory of Whitmer High School is the "Circus". I think Mr. Donald Stacy did an awesome job. He was ahead of his time.

"Peace to all my class mates"
