

**Marge Evans Kaminski:** Graduated from Whitmer High School in 1959. Born: March 1940 in Toledo, Ohio Status: Widowed

After high school I went to work as a secretary for a truck equipment company. While there, I was reintroduced to Carl, whom I had known previously, and we were married. I worked for the trucking firm until our first son, Kevin, was born and then

became a stay at home Mom. We had another son, Gregory, two years later and a daughter, Pamela, six years after that. All three are Whitmer graduates. My husband was a tool and die maker at Toledo Stamping for 22 years.

After our daughter, Pam, started to school, I went back to work and in 2004 I retired from Key Bank to spend time with my husband (as he was not well) and my Mother who was getting old. I wanted a few good years with them. My husband passed away in March 2007 after 43 years of marriage and my Mom is still going strong at 97.

Neither of our sons married. Kevin lives in Mead, Colorado and is a plumber, Greg lives in downtown Chicago and works at JPMorgan/Chase Bank. He graduated from Miami of Ohio, and our daughter, an Ohio University grad, lives about 10 minutes from me in Sylvania and has given us two grandsons, Jack (6) and Ryan (3) and gave me a granddaughter, Kate McKenzie in February, 2008. At this time, I deliver Mobile Meals, walk two miles six days a week and love working in my garden.

**My Favorite Memory of Whitmer High:** The circus is my favorite memory and my favorite teacher was Mr. Stacy. Tom Granata was my partner. I most always ran down to the Panther Grill for a hamburger at lunch time and then went and sat in Vaughn Hammye's car for a cigarette.... I know, I know. I haven't had a cigarette in 25 years..... I didn't get to join clubs etc. as I went to work after school at Flower Hospital on Cherry Street. That did in my school activities.
