After High School I attended the Maumee Valley Hospital School of Nursing, 1962; University of Toledo, BS, 1976; University of Michigan, MPH 1982, attended UT Law School.

I have been employed as a Public Health Nurse, Lucas County Health Department '62-66 & '71-72; Consultant, Ohio Department of Health, '72-76; Director of Nursing, Lucas County Health Department, '67 - 93; Principal Consultant, Community Health

Consulting 93 - present; Executive Director, Toledo District Nurses Association, 1996; Executive Director, Mildred Bayer Clinic, 98-99; Ohio AFL-CIO NWO Retiree Coordinator, 2000 Election Cycle; Ohio Health Policy Consultant, Kerry-Edwards Campaign, 2004.; currently serve as Social Justice Chair, Toledo Area Jobs with Justice and as President, AFSCME Retirees, Wood & Lucas Counties.

I was also a candidate (unsuccessful) for House District 50, 1996; Elected to Governing Board, Lucas County Educational Service Center, (formerly called Lucas County Board of Education) 1999, 2003 & 2007, Currently serving fourth term as Board President.

I am a strong advocate for consumers, nursing and public health, have held a variety of positions with professional organizations, and have served on a large number of public policy making bodies.

Although not blessed with children of my own, I have been fortunate to have shared my life and home with a multicultural group of young people, now adults. Many of these relationships have been maintained, and as a result I have eight grandchildren - ages six to twenty four.

My Favorite Memory of Whitmer High: Memories would have to be football games, driving Richard Halferty's yellow convertible into a field - while learning to drive, and of course Mr. Foster. I am proud to now hold the seat Harvey Davis once held, on the Lucas County Educational Service Center Board (formerly Lucas County Board of Education). Who would have thunk.
