

**Pat (Montoni) Carozza:** Graduated From Whitmer High School in 1958. I was born in August of 1939.

In fifty years I haven't changed a bit (except a bit older and wider). I married my high school sweetheart and it stretched 43 years.

We have three great children, seven Grandchildren, one great Grandchild and

one on the way in July. We since have parted ways, but for some reason we are better friends now. Sometimes life is a puzzle.

After graduation we were married. I went to work for Columbia Gas Co. Started out as a cashier and worked my way to assistant to the manager of the cashiers and mail room.

Our first son was born in December of 1961. A year and a day later our daughter was born. I became a stay at home mom for a few years and then went to work as a cashier at Foodtown. From there I went to head the Frozen foods and Bakery departments. Our third child and son was born in May of 1973 on Mothers Day. Again, I became a stay at home Mom for a while. Went back to work at a Paperboard Company and started doing the payroll for the non-management employees. I ended up being the Accounting Supervisor and was there for 25 years. During that time I took my State Boards and became a Realtor. I've had my license for 20 years. My license is in a referral now as I'm married for the second time and spending most of the year in Florida. We'll have been married for a year in September 2008.

We go back to Toledo for the summer as my family still lives there. They wish they were in Florida, but until they can retire I think they'll still freeze in the winter.

I lost my Mother in 1980 and my Father in 1981 and still miss them very much. I know most of those who have lost their parents must feel the same way and those who still have them are blessed.

**My Favorite Memory of Whitmer High:** My favorite teacher was Mr. Hersland, My favorite classes were Speech (big surprise) and American History. Math was my least favorite and yet I went on to work twenty five years in the Accounting Department and eventually Accounting Supervisor. Of course the best was Mr Stacy and the Whitmer Circus. Working on the floats and so many great times I've seem to forget over the years.

**Personal Information:**
