HAPPY BIRTHDAY TO OUR DECEMBER BABIES!

Hi classmates! Pray this finds you all well and happy. Got some cooler weather out here in the Southwest, but no complaints for sure. After all it is December! Don't know what the Farmer's Almanac says about the type of Winter that is expected, but I know there will be snow! WHAT!!!!

UPDATE INFORMATION: Carole Kirk O'Connell has a new address classmates, for those who want to contact her: 5836 Harvest Lane, Toledo, Ohio 43658 is her new residence address.

Some pics from my Florida trip, Kennedy Space Center. The Atlantis, last shuttle up, and the rockets that got it into space. This is one of my favorite places to visit. Very emotional place to experience.

SCRIPTURE: It is absolutely clear that God has called you to a free life. Just make sure that you don't use this freedom as an excuse to do whatever you want to do and destroy your freedom. Rather, use your freedom to serve one another in love; that's how freedom grows. For everything we know about God's Word is summed up in a single sentence: Love others as you love yourself. That's an act of true freedom. If you bite and ravage each other, watch out – in no time at all you will be annihilating each other, and where will your precious freedom be then?
