

David Oleneck: Graduated from Whitmer High School in 1958. Born: 1940.

After high school and mandatory military service, I began working in the construction industry from which I retired in 2000.

I have two sons currently living in Southern California and one daughter in Virginia.

Recent years have brought three grandchildren in the family, including a lively new granddaughter named after a car.

Over the years my interests have included boating, fly fishing, sailing, and motorcycling.

I now enjoy peaceful hikes in the deserts of the Southwest where my wife Derri and I have spent our winters since my retirement.

My Favorite Memory of Whitmer High: Favorite memory is being on the wrestling team with Lynn Schaffer and his best friend Russell Rubadeux. Also, graduation was a special memorable event.
