

In Memoriam

Mark Orde:

Graduated from Whitmer High School in 1958. I was born in January in 1940. Current Status: Married.

After graduation, I went to active service in the Army Reserve.

When I returned to Toledo, I became employed at the Libby Glass Division of Owens Illinois. I worked there for 6 years.

In July of 1961 I married Sandy and had 3 children; Bill, Beth, and Penny. Penny died in 1999. Our son Bill is a plant engineering manager in Roanoke, VA. and our daughter Beth is a department manager in Minneapolis, MN.

In Feb of 1965 I went to Ford Motor Co., in Monroe, MI in an apprenticeship program, and worked there for 34 years.

In 1996 I married Esther. We retired in 1997, and moved to Florida. We lived in Ocala, then, built a home in Brooksville (N of Tampa) and lived there 8 years. We moved back to MI in 2004.

On June 25, I will be having surgery on my pancreas, to remove a psuedo-cyst. Hope to make it to the reunion. Looking forward to seeing y'all.

We spend a lot of time on our hobbies and crafts and enjoy our time with the kids and grand kids.

See you all in September.

My Favorite Memory of Whitmer High: I really enjoyed the sports and the band. One of my favorite teachers was Mrs. Fontaine, our Math teacher.
