

Joyce M. Pack – Born in Toledo, Ohio in 1940 and lived in North Toledo. Attended Shoreland School until having to transfer to the new Washington Junior High in the 7th grade.

I loved singing (been singing since I was 3 1/2 years old). Sang in the school plays all through grade school and High School. Also sang at many charity events. I was

fortunate to sing at the Hopewell Teentown and at the Miracle Mile Ballroom.

Was married in 1958 to Sonny Sprague. We were blessed with three children; David now 48, Tina now 46, and Dan now 42. We lost another one at birth. They have given us six beautiful grand children.

We moved to Breezeway Dr in January of 1965 and I still live in the same house. In 1978 Sonny and I were divorced after 20 years of marriage. At that time I took back my maiden name.

In 1958 went to work for American Standard Heating & Air Conditioning. Worked there for two years and then moved to the Miracle Mile J. C. Penny's. I worked for them for a few months years before going to Sears for Christmas only. In 1970 I worked part time at the Washington Township Local Schools as a playground supervisor, in the office, library all at Hiawatha School.

In 1978, I started working full time for Blue Cross (Now Medical Mutual Insurance) on Sylvania Avenue in Toledo, Ohio. I worked there for 24 years and retired in 2002.

Between 1965-1978 I did a lot of community volunteer work. Mothers Club, PTO, Local School levies issues, Cub Scouts, Little league sports (Football, Baseball, Track, and cheerleading). I also worked on several City Council and Washington Local School Board campaigns.

I was also able to fill in some of my time working at different jobs....Thank God my health is good.

Favorite Memory of Whitmer High: My favorite memory was singing at school fund raisers. I also remember working as chairperson for the Junior/Senior parties. I loved the Prom and enjoyed my role in the Senior Play.

Graduation was sad for me as I loved school and all my friends.
