

In Memoriam

Nancy Reimschussel Musselwhite: Graduated from Whitmer High School in 1958. After High School I attended Bowling Green State University and then The University of Toledo. I taught fifth grade for one year at Jackman School in Washington Twp. In February of 1963 I married William Roth of the U. S. Coast Guard. I then began the odyssey of being a Coast Guard wife. This part of my life lasted until October of 1974 when we divorced. I have three daughters as a result of this union. Elizabeth lives in Tampa, FL with here husband and two of my grandchildren, Gwendolyn and Stuart. Kristina lives in Atlanta with her daughter, Dominique. Connie also lives in Atlanta with her husband and three daughters, Kathryn, Lindsey and Alexandra.

In May of 1975 I married a City of Miami police officer, Al Musselwhite. We have been married for over 32 years. To our marriage he brought four children. Roy and Joanne are a result of his first marriage. Evelyn and Albert are a result of his second marriage. Albert is two months older than Elizabeth. We have no ours, thank God. However I can claim some more grandchildren. Roy has two boys, Roy Junior and Joshua. When I married Al, I became an instant grandmother because Joanne had 2 yr. old Billy and 121/2 years ago I joined the ranks of great-grandmothers when Josie Dawn was born. Then Evelyn gave us Brandee (who lives with us), Brittany, Dennis and Trevor. Evelyn and her husband and family also live in Atlanta. Roy lives in North Carolina and Joanne passed away in 1989. Albert lives here in Miami.

I think my worst two years were 1974-75 and 1992. Christmas of 1974 saw the death of my father (sad) on Christmas Eve. In May Al and I married (happy). July saw the death of my mother's father(sad)and then August saw the death of William(sad). In 1992 my mother passed away (sad), Connie graduated from college (happy), we visited Roy and his family in Maryland (happy), then we were hit by Hurricane Andrew (sad). It took us over one year to get our house back into livable condition.

I worked for Miami-Dade County Schools since the Fall of 1974. September 30th of 2007 saw my official retirement. I had been on medical leave since my valve repair surgery in mid March.

Now I am free to travel.

Favorite Memory of Whitmer High: One of my favorite memories is going over to Paula Snyders house and working on the floats. Also my favorite teachers, Mr. Rice and Mr. Foster.

Personal Information:

Nancy Reimschussel Musselwhite
7500 Southwest 134th Street
