

## In Memoriam

### Betsy Riemenschneider:

Graduated from Whitmer High School in 1958. I was born in 1940.

After Graduating from Whitmer I attended Bowling Green State University. I married Larry Yarger after my freshman year at B.G.S.U. and went on to graduate with a Bachelor of Science degree in Education. I went on some years later and earned my Masters Degree also in Education.

My husband and I both worked for Washington Local Schools, retiring

from there - me from teaching first grade and Larry from being Transportation Supervisor.

Along the way through the working years a daughter came into our lives. What a Joy!

There were no big location moves in our lives until we retired to Florida. The only move we made prior to retiring was moving from Washington Local School district to Sylvania School district.

Our daughter, Melissa, graduated from Bowling Green State University with a degree in interior design. She is married and lives in Virginia with her husband and our granddaughter.

We enjoy being retired – that gives us time to enjoy being grandparents.

**Favorite Memories of Whitmer High:** There are so many memories. Senior English with Mr. Foster, Co-chairing the Junior Prom, football and basketball games and, oh so many more.
