

Judy Schiffer Dewey: Graduated from Whitmer High School in 1958:

In the next two years I met and married Dave Dewey on November 5, 1960. He is also a graduate of Whitmer High School (class of 1954). Dave worked for Janney's Ace Hardware Store on Secor Rd in Toledo for 25 years until retirement.

Dave passed away in September of 2007 after heart surgery. We were married for 47 years.

I worked at various jobs after graduating, including as a personal shopper for a sporting goods store while living in Dallas. Also worked at two license agencies here in Toledo before getting the job with the State of Ohio Department of Transportation in 1978, where I worked until 1985 when I retired because of developing vertigo and double vision, which I still have.

During our 47 years we were blessed with four children, Karen, Brenda, Robin, and Rich. Karen married Steve Knowles and lives in Minot, ND. Brenda married Mike Perkins and lives in Toledo. Robin Gilbert lives in Tucson, AZ and Rich also lives in Toledo, Ohio.

I have five grandchildren; Nathan Knowles who is currently in the US Coast Guard stationed in Boston, Brian Knowles (manager, Minot, ND), and Michael Bradley who is a college student in Toledo. Thomas & Katie Gilbert are still in High School Students in Tucson, AZ.

With all the kids and Grandchildren it is bound to happen; "A Great Grandchild". We have a Great Grandson; Landon Knowles in Minot, ND.

During the 70's, 80's, and 90's between moves we were able to travel to: England, Alaska, California and anywhere else that our daughters were living while their husbands were in the Air Force. We got to see many wonderful places.

We lived in Albuquerque, NM and Dallas, Texas before coming back home to Toledo. All of our children graduated from Whitmer just like Dave and I so we kept up the tradition.

Favorite Memory of Whitmer High: I enjoyed being inducted into the National Honor Society in both junior and senior high. Mostly it was just a good place to go to school and make friends that we still have 50 years later.
