

Jim Snyder – Whitmer Class of 1958

Born: In 1939 – Toledo, Ohio

Status: Married – Residence: Montgomery, Alabama

After graduation I moved to Elkhart Indiana and worked for Whitehall Laboratories plus did some farming with my Brother-in-Law for a few years. In February 1963 I enlisted in the U. S. Air Force and spent twenty eight years traveling the United States, Vietnam, Germany and Alaska, before retiring in 1991, and settling in Montgomery, Alabama. Since then I have been the Project Manager for Defense Contract Services for 16 years, which does contract work for the government throughout the states.

Together, my wife Pam and I have five children, nine Grandchildren and three Great Grandchildren. Three of our daughters and five of the Grand kids live here so we are able to see them quite often. Pam keeps busy running our medical uniform business, plus taking care of the Grandkids. I guess I'll retire when no one else hires me.

In 1997 Pam got me into the church and the Lord finally got my attention and since then I am a servant of the Lord and spend my free time in church activities.

My favorite memory of Whitmer High School is: looking back now and seeing that it was truly a great time to be in school. I enjoyed Mr. Stacy's Gym class and the Circus plus football and the Panther Grill hamburgers.
