

In Memoriam

Paula Snyder Hook: Graduated from Whitmer High School in 1958. Born in February in 1940.

Well here it goes....remembering back 50 years is HELL...1958....what a year. As I said I graduated from Whitmer...that was fantastic...even Mrs. Schlagel said she would miss me....after all I worked in her office everyday. She always reminded me how Judy Turner bleached my hair in the nurse's room during school and it turned carrot orange. Of course Dean sent me home to

“fix” the mess...Oh what fun times.

After graduation my parents moved to Findlay, OH. I enrolled at Bowling Green State University and majored in speech and hearing therapy. I pledge Alpha Xi Delta fraternity (really a sorority) and was very active in the Eva Marie Saint Theater. I graduated in speech and hearing and elementary education, but really missed having fun at college. So I went back to get my masters. It did give me a better pay check.

It was so great to teach for 36 + years in Findlay...the home of Ben Rothlisberger, Pittsburgh Steelers quarterback. Yes, I know him. He attended my school. I did have his sister Carley though. She now attends Oklahoma and received a full ride to play basketball there.

I did marry and was blessed with two super sons, Shaun and Shad. Shaun and his family live in Little Chute, WI (near Green Bay) and Shad and his group live in Clayton, NC. I have four grandchildren, all girls. Dan (my Husband) and I wish we could travel North and South more often, but Dan is not retired yet.

I also have two dogs, Joli (a Poodle, 15 years old) and Onyx (a cockapoo...11 years old. My Mom is 92 years young and most of my time is being her care giver. (I wish AARP would enroll pets too!)

Well...this is the Bio of Paula Snyder Hook...Whitmer Class of 1958 and proud of it. I can't wait to see all of you at our 50th reunion. Dan and I are going to all events. Hope all of you are too...maybe we'll have so much fun we all can stay awake until 11:00pm.
