

**Denis (Tony) and Pam Fenn Ward:**

Graduated from Whitmer High School in 1958. Tony was born in December, 1939 and Pam in May, 1940.

After High School we went to Oregon and the State of Washington where Tony went to school.

We were married in 1961 and moved to Minnesota in 1970. Worked at a few professions and created a Multitude.

Derek – Our conservationist, should have been born in the 1800's.

Daren – Our gentle Giant, big man with a big heart.

Natasha – Our fire fighter, a miracle of adoption.

Andrea – Our drama queen, the joy of our old age.

Raphael – Our paranoid Schizophrenic, our rock and reality check.

12 Grandchildren – Our future.

**Our Favorite Memory of Whitmer High:** Tony's is the nightmare of losing only one game in the football season to Clay. Mine is the after game dances. I remember having to go in the ladies bathrooms and change from slacks to skirts because they wouldn't allow us to the dances in slacks.
