

**Pam Whalen Honn:** I graduated from Whitmer High School in 1958. I was born in November 1940.

Hi Everyone:

Sorry I cannot attend but will miss seeing everyone. God has really been good to me over the years.

I met Bill Honn the year following our graduation. He is a fantastic guy and we have been married 44 years. We have been blessed with two wonderful sons. Bud and his

wife Jackie live close to us in Blissfield and we see them frequently. Jeff and his wife Theresa live north of Chicago.

Thirty years ago we split from Toledo and bought an old farmhouse out in the country. We are just south of Riga, Mi., and have three plus acres and a pond. Bill says it's like being on vacation all the time.

I retired from The Toledo Hospital in 2002 after twenty-five years with the institution. I was the Education Coordinator at Jobst Vascular Center. I thoroughly enjoyed my job, but when it developed into a full time position, it was time for me to go. Since then we have done considerable traveling, including much of the United States and two months in Europe.

My favorite pastime is spending time with my family. Hobbies are golf, gardening, travel, knitting and making jewelry.

**My Favorite Memory of Whitmer High:**

Some of my favorite memories from Whitmer are cheerleading, being part of the Whitmer Circus, the Panther Grill and, of course, all the great friends.

Give each other hugs and kisses for me. I wish I could be there with you.

Love, Pam
