### **FAQ's for last 49 years:**

I have been living in New Mexico since 1979. My husband Vinny, is a 1<sup>st</sup> generation Italian. Vinny is an IBEW Union Electrician General Foreman. I have one daughter, Jeanette who has been employed for the last 22 years at Intel. Jeanette's husband Theron, is an I.T. tech and author. Jeanette is the mother of my three Grandchildren: Jonathan 30 this year, also an IBEW Electrician; Danielle -27 employed in sales and marketing, and Mareya – 18, who is a straight "A" student in graduated high school this year.

I retired 6-30-06 after working as a Life Skills Instructor / Facilitator for San Juan College, Rio Rancho, NM branch, and too many years for the New Mexico Dept., of Labor. I volunteer 2 days a week at the UNM Reg. Medical Center, and 2 days a week at Readwest, as a literacy instructor, write music and poetry, do some artistic painting, make quilts, and love to work in my flower beds. I visit Toledo, Ohio at least once a year to see my Mom (who still lives in the same house around the corner from Whitmer), my brother Chuck, sisters Sharon, Carol, Linda and Kathy. (Never miss a chance to drive by the ole Whitmer High building).

**Favorite Memory of Whitmer High:** My favorite memory of Whitmer High School is the amazing class we were. How close nit we stayed as we completed 4 years of high school. How much like "Happy Days" we lived. And, how we all came together to help when one of our students died. 1958 class was a class of love for one another. It seems we still are. God bless us, everyone.
